

# Theoretical Frameworks in Qualitative Research

[Theoretical Frameworks in Qualitative Research\\_ 下载链接1](#)

著者:Mertz, Norma T. 编

出版者:Sage Pubns

出版时间:

装帧:Pap

isbn:9781412914161

This unique book specifically addresses the role and place of theoretical frameworks in qualitative research and provides direct advice about identifying and using such frameworks. Through examples of published research studies, contributing authors walk the reader through the processes they used to find and apply a theoretical framework to the particular phenomenon they were studying.
