著者:Hendry, Joy

出版者:Palgrave Macmillan

出版时间:2005-11

装帧:HRD

isbn:9781403970183

This book focuses on the renewal (or rekindling) of cultural identity, especially in populations previously considered "extinct." At the same time, Hendry sets out to explain the importance of ensuring the survival of these cultures. By drawing a fine and textured picture of these cultures, Hendry illuminates extraordinary diversity that was, at one point, seriously endangered, and explains why it should matter in today's world.
