出版者:Routledge

出版时间:2006-3

装帧:HRD

isbn:9780415947794

This groundbreaking new book offers a history of welfare, an accurate portrayal of welfare recipients and an understanding of the diverse characteristics of lone-mother-headed families affected by welfare reform. Through detailed research, award-winning author, Kenneth J. Neubeck offers a unique comparison of other industrialized nation's welfare policies compared to ours, and presents a new argument for curtailing the end of welfare as we know it: the case for respecting economic human rights.
