La Vida Sacra: Contemporary Hispanic Sacramental Theology is an original, insightful approach to the sacraments from the perspective and actual practice of Latinos over the centuries. It offers a distinctive take on the actual belief and enculturation of the sacraments in the Latino experience and context. Due to the growing presence of Hispanics in this country, churches are looking for new and innovative ways to fit them into their congregations. The existence of Hispanics and, more importantly, the value of their religious experiences are being gradually accepted in theological societies. Eduardo FernOndez and James Empereur's new book fills the need for a more comprehensive and richer context for sacramental theology. As the newest book in the Celebrating Faith Series, it is ideal for theology courses, as well as directors of ministerial programs and their students who are looking to place Hispanic sacramentality in the larger framework of sacramental theology.
