出版时间:1988-1-4

装帧:Paperback

isbn:9780030119194

This re-examination of the Trobrianders of Papua New Guinea, the people described in Malinowski's classic ethnographic work of the early 20th century, provides a balanced view of the society from a male and female perspective, including coverage of new discoveries about the importance of woman's work and wealth in the society.
