# Knowledge and Social Imagery

Knowledge and Social Imagery_下载链接1_

著者:David Bloor

出版者:University Of Chicago Press

出版时间:1991-9-24

装帧:Paperback

isbn:9780226060972

The first edition of this book profoundly challenged and divided students of philosophy, sociology, and the history of science when it was published in 1976. In this second edition, Bloor responds in a substantial new Afterword to the heated debates engendered by his book. "Bloor's book came out as a broadside that announced a new approach to the history and philosophy of science, an approach that became known as the strong programme.' . . . Now, any book published in history and philosophy of science must take Bloor and the strong programme into account."--Robert J. Richards, University of Chicago

第一章, The Strong Programme

哎 想当年我还在buccleuch place上过那么多课 真伤感

----
strong program. Alexander 引用

强纲领

第七章启发最多，非形式逻辑和数学的关系

论文用过，补标。

The strong program, the social (and other) causes for even the truth, reconsideration of objectivity and reflexivity of both natural and social sciences. Part of foundation of STS, though controversial.
