出版时间:2005-07-15

装帧:Paperback

isbn:9780975867914

Meat Market elevates the debate over animal agriculture. Erik Marcus exposes and clears away the exaggerated claims and counterclaims put forth by the meat industry and its opponents. In the process, Marcus presents a thorough examination of animal agriculture's cruelties and its far-reaching social costs. Marcus then considers the discouraging progress made by the animal protection movement. He evaluates where the movement has gone wrong, and how its shortcomings could best be remedied.
