From Publishers Weekly "What do you want to do? How do you want to be remembered? What are you waiting for?" Answering these questions is the first step to answering the larger question of What's Next?: Women Redefining Their Dreams in the Prime of Life. This spiritual and practical guide for women seeking change at midlife draws on inspiring anecdotes about famous (Anna Quindlen, Beverly Sills, Julia Child) and ordinary women. Whether readers choose to change careers or finally follow their deep-seated passion, Rena Pederson, an editor with the Dallas Morning News, and Lee Smith, a psychologist and executive coach, guide and encourage readers in taking the next step.
