

The Basics of Social Research

[The Basics of Social Research_ 下载链接1_](#)

著者:Babbie, Earl R.

出版者:Thomson Learning

出版时间:January 3, 2007

装帧:Pap

isbn:9780495094685

This thorough revision of Babbie's standard-setting book presents a succinct, straightforward introduction to the field of research methods as practiced by social scientists. Contemporary examples+such as terrorism, Alzheimer's disease, anti-gay prejudice and education, and the legalization of marijuana make this Fourth Edition

thoroughly fascinating as it introduces you to the "how-tos" and "whys" of social research methods. The book's new qualitative coverage combined with its already strong quantitative material makes this new edition Babbie's best yet. Babbie, long respected in the field and renowned for his engaging and friendly writing style, gives you the tools you need for understanding social research methods and for applying these concepts both inside and outside the classroom+as a researcher and as a consumer of research. With a strong emphasis on ethics and additional qualitative material, this Fourth Edition is authoritative yet student-friendly . . . and engaging enough to help you connect the dots between the world of social research and the real world.

评论

一本工具书，可以从中找到对自己口味和想法的东西，不过的确还是很基础，很易懂的。另，巴比的头像很可爱~
