Go beyond the statistics to discover why many gay and bisexual men take the health risk--and what can be done about it

The rate of new HIV diagnoses and other sexually transmitted infections among men having sex with men has increased sharply, especially in men of color. Barebacking: Psychosocial and Public Health Approaches examines in depth the reasons why so many gay and bisexual men indulge in "barebacking," or intentional unprotected sex. Respected experts reveal the latest studies that explore every facet of this alarming trend that apparently began as a phenomenon confined to those who had already been infected.

The mounting likelihood of a renewed epidemic is a troubling public health issue that reaches beyond gays and bisexuals into the heterosexual community. The aim of Barebacking: Psychosocial and Public Health Approaches is to provide clinicians with some insights to foster strategies for addressing these unsafe sexual behaviors. This book presents the studies of researchers working in the field as well as those who can provide both research and clinical perspectives. Thoroughly researched and richly referenced, this book is an essential resource for health and mental health

professionals.

Barebacking: Psychosocial and Public Health Approaches is an insightful and comprehensive research source, essential for psychologists, researchers, public health officials, counselors, psychotherapists, and anyone concerned with the HIV epidemic in the United States.

作者介绍:

目录: In Barebacking: Psychosocial and Public Health Approaches, you'll find discussion and research on:
the public health perspective of the emergence of barebacking among gay and bisexual men
how the term "barebacking" differs between various gay and bisexual men
how club drug use has posed a public health threat
HIV transmission risks among men who meet through the Internet
barebacking among Internet-based male sex workers
assessing HIV-negative gay or bisexual men
a treatment model for barebackers
psychotherapy considerations for individual gay men and male couples having unsafe sex

总算有人把这个添加上来了，每次有人问我“同性恋为什么不带套”的时候我都很想把这本书甩在对方脸上。安利一下Perry Halkitis，帅到窒息，先是在GMHC的活动上见过他，后来去他的team打了零工，据说他的新书Out in Time出了，检验了三代人的出柜经验，肥肠脐带
