出版时间:2006-1

装帧:Pap

isbn:9780202307626

There is little doubt that gun violence and control are issues of vital importance, and

they continue to inspire national debate. It is doubtful, however, whether most gun debates are worth listening to. Not surprisingly, such debates generally leave their participants exactly where they began, with their biases intact, and onlookers perplexed. Written deliberately to counter an atmosphere of hysteria and extremism, Point Blank, now in paperback, offers logical argument supported by empirical information. It confronts fundamental questions head-on.
