

Archaeologies of Landscape

[Archaeologies of Landscape_ 下载链接1](#)

著者:Ashmore, Wendy (EDT)/ Knapp, Arthur Bernard (EDT)

出版者:Wiley-Blackwell

出版时间:1999-8-28

装帧:Hardcover

isbn:9780631211051

Review

"Good insights for landscape historians and archaeologists." Landscape History<!--end-->

"The varied contributions and stimulating interpretations combine with a strong and thought-provoking introduction by the editors and useful concluding commentaries on sacred landscapes and everyday places and cosmologies to produce a well-structured book of unusually powerful appeal." Landscapes

"Good insights for landscape historians and archaeologists."
