From the authors of the highly successful How to Succeed with Women, here's the insider's guide to getting a man and keeping him. Forget The Rules. At last, there's a guide to what men really want from a relationship written by the reigning experts on the subject: men! Gender studies specialists Ron Louis and David Copeland deliver the targeted, no-nonsense advice any single or divorced woman needs to find a good man. While publicizing their first team effort, How to Succeed with Women, Ron and David received many requests from the female audiences wanting to know when a book for them would be forthcoming. Packed with lively and revealing true-life examples, HOW TO SUCCEED WITH MEN moves from the first sparks, through courtships and break ups, to marriage. Along the way, women will discover: *the truth about men, sex, and dating *where the desirable men are...and how to meet them *the essentials of effective flirting *how to move from "just friends" to lovers *surefire strategies for romancing a man's soul...and seducing his body *how to avoid the pitfalls...and dump the duds *definitive criteria for judging whether a relationship has staying power Instead of simply teaching tricks to hook a man, Louis and Copeland give women valuable insights into what truly makes the opposite sex tick...and reveal precisely how to connect with the right man.
