# Life's Little Deconstruction Book

[Life's Little Deconstruction Book_下载链接1_](#)

著者:Boyd, Andrew

出版者:W W Norton & Co Inc

出版时间:1998-11

装帧:Pap

isbn:9780393318708

This tiny manual provides an introduction to theoretical posturing, a commentary on postmodernism, a subversive satire, and a tribute to the love-hate relationship many of us have with fashionable ideas - all in a very few words. Like postmodernism itself, Life's Little Deconstruction Book is a work of inspired piracy, melding cutting-edge cultural theory with the corporate and computer lingos that permeate our lives. Infused with humor, intellectual rigor, and a certain poetic sensibility, it provides day-by-day instruction for the contemporary scene, requiring no commitment, yet still delivering intellectually.
