"This is an extraordinary book." -Progress in Human Geography "...fresh and fascinating." -Come-All-Ye "...an extraordinarily rich and rewarding book...it is about the effort of one man to find for himself and us the life's breath of the people of Ballymenone...It is certainly a remarkable tour de force." -Emmet Larkin, New York Times Book Review The life and art, the folklore, history, and common work of a rural community in Northern Ireland-through the eyes and pen of gifted folklorist Henry Glassie. It is a classic in the fullest sense, reaching beyond folklore to all of humanity.
