著者:Allan G. Johnson

出版者:Wiley-Blackwell

出版时间:2000-6-14

装帧:Paperback

isbn:9780631216810

This new edition of Allan G. Johnson's one-volume sociology dictionary includes 75 new entries, as well as an expanded biographical section, extensive revisions and updates, and a more thorough cross-referencing. Written by a sociologist who is also an accomplished writer and teacher, it is aimed primarily at students, but will also be of use to professionals looking for an introduction to core concepts outside their area of expertise. Its combination of clear prose, engaging examples, a single author's voice, and its minimal assumptions about the average reader's prior knowledge of sociology and its related fields, makes this a unique and valuable reference work.
