Women and Museums is the first comprehensive directory of museums for, by, and about women. With useful cross-reference guides and an accessible format this unique resource provides essential information about these institutions, including interpretive

themes, the historical significance of their collections, their cultural and social relevance to women, along with programming events and facility information. This volume is an important multi-functional reference for museum professionals and students, local historians, historic preservationists or anyone interested in quick and easy ways of finding information on America's women-related museums.
