Product Description

Ever wonder why you're the last single girl among all your married girlfriends? Do you have a gorgeous, talented, witty daughter, sister or best friend who just can't seem to find the perfect mate? Don't stress, you - and that fabulous woman you know - have something in common with 96 million other Americans: You're single!

Let's face it: if you're single, it's because you CHOOSE to be, not because you're DOOMED to be. The Single Girl's Manifesta is glorious vindication for those who are not held captive - literally or figuratively - by the tyranny of the "We."

After author Jerusha Stewart found herself wondering about her own single status, she interviewed hundreds of compatriots across the country about their choice to remain single. Jerusha leaves no stone unturned as she explores the pleasures of single living. You may be the last single girl in your crowd, but you've saved the best for last!

The Single Girl's Manifesta lets readers in on how to:

Value being single

Not be daunted by dating mishaps

Manage life's milestones when you're unmarried

Banish the fear of buying a home, dining out, or traipsing 'round the world solo

Embrace the inner truths that lead you to finally answer the question "Why am I single?"

This outlandish ode to singles is packed with engaging quizzes, revitalizing rituals, sizzling love letters and a killer recipe for Morning-After French Toast. It's for the woman who has it all, without having to tie the knot. So the next time you and your girlfriends are about to indulge in another "poor, single me" conversation, open this book instead and jumpstart the sensational solo life you deserve!
