著者:Williamson, Robert

出版者:Palgrave Macmillan

出版时间:2006-12

装帧:Pap

isbn:9781403968869

This is a broad introduction to Latin America, ranging from religion and history to literature and education, with a focus on cultures and cultural change. With lively prose and a variety of informative inserts, Williamson draws the reader into the diverse realities of a continent in flux. The text is held together by a strong theoretical framework, and does not shy away from the complexity of the continent, or the degree of contingency, conflict, and turmoil at play in the region.
