出版者:Routledge

出版时间:2005-8

装帧:Pap

isbn:9780415946711

In this timely book, renowned criminologist and activist Renny Golden sheds light on the women behind bars and the 350,000 children they leave behind. In exposing the fastest growing prison population-a direct result of Reagan's War on Drugs-Golden sets up new framework for thinking about how to address the situation of mothers in prison, the risks and needs of their children and the implications of current judicial policies.
