A Self-help/Success and Psychology book by William Thourlby, the original "Marlboro Man" and best selling author of "You Are What You Wear" and "Passport to Power." WOMEN THE NEW POWER CLASS shows how Women can use the science of controlling visual, verbal and non-verbal behavior to market themselves and achieve their own goals, and thereby CHANGE THE WORLD -- FOREWARD MAGAZINE BOOK OF THE YEAR CAREER CLASS AWARD FINALIST. "WOMEN THE NEW POWER CLASS is truly more like a survival bible. The anecdotal stories, the psychological perspective as well as the moral and the value foundation of the book, provide a myriad of tactics and answers for personal growth and success. I was entertained and educated and am thoroughly grateful for the uplifting experience your book gave me." - Michele W., Laguna Beach, California.
