Eleanor Roosevelt's remarkable ability to confront and overcome hurdles-be they political, personal, or social-made her one of the greatest leaders of the last century, if not all time. In *Leadership the Eleanor Roosevelt Way*, author and scholar Robin Gerber examines the values, tactics, and beliefs that enabled Eleanor Roosevelt to bring about tremendous change-in herself and in the world. Examining the former first lady's rise from a difficult childhood to her enormously productive and politically involved years in the White House, as a U.N. delegate and an honorary ambassador, an author, and beyond, Gerber offers women an inspiring road map to heroic living and an unparalleled model for personal achievement.
