The Curse, the Wall, the Rocket, the homer Teddy Ballgame, Yaz, Fenway, Nomar, and Pedro. Included in THE RED SOX CENTURY is one hundred and one years of Red Sox baseball from 1903-2003. While the Olde Towne Team may have registered more than its fair share of heartaches on the diamond, the Red and Blue have etched themselves deeply into the rich fiber of the American game as a perennial contender in the American League. THE RED SOX CENTURY is the story of Boston's beloved baseball team, a "you are there" account of all the greats of the Hub's Hose and the best seat in the house for the epic milestones in team history, as told through the voices of players, coaches, and sportswriters. This tribute also includes an all-time Red Sox team, a special shrine to No. 9, and the player rosters of every Red Sox World Series team. From Pesky's Pole and the Green Monster to the Red Seat and those #*?@ Yankees, this treasury of team lore has it all for Red Sox fans and followers of all ages. Batter up It's Bosox time in Beantown.
