著者:Arts, Maarten

出版者:Reedswain Incorporated

出版时间:2004-9

装帧:Pap

isbn:9781591640790

In this book, Maarten Arts gives the head coach a handle on how to work with his keeper. After reading this book, all coaches should have more insight into the most important aspects of the keeper's job. The role of the goalkeeper coach within the technical staff is also comprehensively brought to light. Goalkeeper coaches can take advantage of the practical information and the extensive training material collected in this book.
