Acclaimed baseball writer Roger Kahn gives us a memoir of his Brooklyn childhood, a recollection of a life in journalism, and a record of personal acquaintance with the greatest ballplayers of several eras. His father had a passion for the Dodgers; his mother's passion was for poetry. Somehow, young Roger managed to blend both loves in a career that encompassed writing about sports for the New York Herald Tribune, Sports Illustrated, the Saturday Evening Post, Esquire, and Time. Kahn recalls the great personalities of a golden era-Leo Durocher, Mickey Mantle, Willie Mays, Jackie Robinson, Red Smith, Dick Young, and many more-and recollects the wittiest lines from forty years in dugouts, press boxes, and newsrooms. Often hilarious, always precise about action on the field and off, *Memories of Summer* is an enduring classic about how baseball met literature to the benefit of both. Roger Kahn is the author of the classic *The Boys of Summer* and is a visiting lecturer on creative writing at the State University of New York at New Paltz. His books *Good Enough to Dream*, *A Season in the Sun*, and *The Era, 1947-1957: When the Yankees, the Giants, and the Dodgers Ruled the World* are available in Bison Books editions.
