Colour photo-sequences and clear text show even a ham-fisted beginner how to fix

their boat. The two aims of this book are "preventing" problems and "curing" them when they do happen (even at sea). This is the best-illustrated book ever produced on maintenance and Manley has spent over a year photographing each stage of each topic. These include: Engine Stern Gear Water System Gas System Heads Electrical System Fuel System Steering Winches Fibreglass Deck Hardware Leaks Inflatable dinghy Tools
