isbn: 9780851317953

The successful bond between horse and rider is the basis for all work together. In this book, Kelly Marks shows the reader how to create a happy and productive partnership. Kelly describes the process known as 'join up', explains how body language affects the

horse and the common mistakes to avoid. She also uses her interest in human psychology to look at the dark side of human treatment of horses and gives advice on stress relief and controlling anger.
