This handy and helpful book offers something for virtually every duck and goose hunter. The illustrated tips cover a broad range of topics including: Blinds and Concealment; Boats; Calls and Calling; Decoys; Guns and Loads; Retrievers; Safety; Tactics; Waders and more. The book is an information-packed compilation reflecting the skills and ingenuity of DU members across the United States and Canada. Truly a "must" book for waterfowlers who want to learn more about their favorite pastime.
