著者:Dirt Rider Magazine (EDT)

出版者:Motorbooks Intl

出版时间:2002-7

装帧:Pap

isbn:9780760313152

Dirt Rider magazine publishes monthly one-page riding technique features. Emap magazines survey their readers every month, and the survey results show that bike tests rank first and riding techniques second. Dirt Rider presents these tip features by

showing a well-known pro rider going step-by-step through a difficult obstacle. This book features the last five years of these motocross riding techniques in one volume.
