著者:Kassing, Gayle

出版者:Human Kinetics

出版时间:2003-1

装帧:HRD

isbn:9780736002400

This volume aims to equip teachers with clear plans and instructions for introducing dance to school pupils of all ages. Gayle Kassing is a teacher and dancer, and presents a step-by-step guide to constructing dance curricula. Each lesson plan includes

explanations as to what skills the pupils will be learning, methods for teaching these skills and ways in which the teachers can customize the plans to meet the specific needs of their students and the curriculum.
