Get the best boat for your buck. Now you can access the same inside information yacht brokers and boat dealers have relied on for nearly twenty years. "The Boat Buyer's

Guide to Trailerable Cruisers and Runabouts" lets you compare more than 600 new and used models, making it the most authoritative and useful guide available. With photos, floorplans, performance specifications, production updates, and price comparisons, it puts the world of boats at your fingertips. Nothing else in print or online comes close when you want to find the best boat for your buck. It features: photos and floorplans of each boat; sizes, weights, and tankage and powering options; standard and optional features, hard-to-find performance data, distinctive characteristics, and production updates and changes; and, price for each model year since 1990.
