A sweet and nostalgic look at the Everyman's outdoor sporting fun-sledding. A successful sledmaker takes readers through a brief history of sleds and sledding, and taps into the emotional pull that many of us feel when we see those first frosty snowflakes-and a classic wood-and-metal flyer. From the use of sleds in the Olympic Games and the proper technique for kick sledding to choosing a good hill and making the perfect cocoa, this book is sure to charm readers of all ages.
