This wonderful 1980 horse racing classic never loses its luster or charm. Author Bill Barich explores explores the day-to-day internal world of horse racing-- from the backside to the backstretch. This entertaining story of the lives and tribulations of various racetrack personalities is sure to extract every human emotion. The author's summer adventure after a family tragedy finds him living the life many diehard racing enthusiasts wish they could. Barich's adventure discovers more than he could ever imagine about something much bigger than racing-life itself.
