New England is considered by many to be one of the most naturally beautiful areas in America, and its golf courses are no exception - from stunning links courses with breathtaking sea views to spellbinding remote courses - they must be seen, and played, to be believed. "Golfing New England" is an authoritative and lavishly illustrated volume that provides detailed advice on every aspect of the region's golfing, including comprehensive course listings, and suggestions for finding the right place for

your taste and budget. It also features information on a variety of golf-related subjects such as caddying, course and clubhouse etiquette, and the major championships and players that the area has hosted over the years. This is the ultimate guide to everything you need to know about golfing New England.
