The Neversink River in New York's Catskill Mountains, with its plunges and gorges, is one of the world's great trout streams. So it's no surprise that this diverse and fecund waterway has compelled the finest fly-fishing writers to take up their pens. This treasury of their best work takes a revelatory look at the river from its earliest days right up to the present. It includes pieces by John Burroughs, Theodore Gordon, Edward Ringwood Hewitt, George M L LaBranche, Hay Berman, Ernest Schwiebert, Austin M Francis, A J McClane, Len Wright and Jay Cassell. Every fisherman will want to "catch" this collection!
