NASCAR Racing has more that 75 million followers, and this book gives each of them the chance to learn more about their favorite sport. The drivers, courses, down-to-the-wire finishes, all the excitement of this tremendous racetrack is here! This book offers a fast-paced look with photographs by the top sports cameramen, covering the lives of the superstar drivers, the greatest courses, best racetrack food, the best and worse of NASCAR songs, video games, movies about stock car racing. Whether you're a newcomer or a diehard fan, want a quick fix, or the full experience, here is a reference book for any racing enthusiast to capture the excitement and triumphs of this tremendous sport.
