Dance your way into a new hobby Derek Hartley, a professional with 20 years of experience performing, teaching, and choreographing with his own company, teaches you the basics of rhythm and movement. With the help of a great practice soundtrack (on CD), he introduces you to all the basic steps and moves and then describes a number of fun routines to try. "Teach Yourself Tap Dancing" covers the basics of traditional "show" tap as well as the more contemporary "rhythm" tap.
