This is the official commemorative book of the 2006 Masters Tournament. With less pressure on him than in 2004 when he needed a birdie on the 72nd hole, Phil Mickelson confidently claimed a two-stroke victory over South African Tim Clark with a closing 69 and a 7-under-par 281 total. It wasn't necessary to leap joyously into the Georgia sky this time because a week's worth of steady, smart golf was good enough two years after his first Masters title. Now, you can relive all the action of the 2006 Masters, including the thrilling victory by Phil Mickelson, who, thanks to a carefully crafted game plan, won his second Green Jacket in three years. Written from the golfers' perspectives and filled with stunning full-color photographs, the "2006 Masters Annual" features revealing stories on the leading participants, a recap of the pre-Tournament Par 3 Contest, and a detailed account of each round as it unfolded, as well as: details on how the 2006 Masters Invitees qualified; scores and stat leaders from each round; quotes from the participants; Holes and Shots of the Day; all-time scoring records; and past Masters participants. Own the "2006 Masters Annual" - you'll feel as if you're walking up the 18th fairway with the champion.
