著者:Jim Wagner

出版者:Black Belt Communications

出版时间:2006-1-1

装帧:Paperback

isbn:9780897501491

Designed as a companion to Jim Wagner's best-selling instructional DVD series, this book covers the complete tactical spectrum of pre-conflict, conflict, and post-conflict techniques and training methods for a wide variety of worst-case scenarios. Mastering these tactics will educate you on the dangers of the modern world and how to survive them.
