

# Sailboats (The 500)

[Sailboats \(The 500\)\\_下载链接1](#)

著者:Nic Compton

出版者:Crestline

出版时间:2003-10

装帧:Paperback

isbn:9780760314999

This book features the development of sailboats over the years, detailing construction methods, places and events of particular interest, and the most influential people involved in the sailboat industry today. Yachting and sailing boats have become an increasingly popular sport and pastime in recent years, especially in the U.S. Spectacular races such as the America's Cup and the Cowes Regatta are exposed in glorious full color photos.
