出版者:Mountaineers Books

出版时间:1991-3

装帧:Pap

isbn:9780898862706

"The deepest despair I have ever felt, as well as the most piercing happiness, has come in the mountains," writes Roberts (now an Adventure contributing editor). Here we have both, in two books, now available in one volume, that Roberts wrote when he was still in his 20s. The mountains are in Alaska; the passion is all in Roberts's young heart.
