THE ULTIMATE BASEBALL BOOK has more than lived up to its name. Spanning the complete history of the sport from the fledgling leagues in the late 1870s to the powerhouses of the 1990s and revealing in the process what a remarkable effect baseball has had on our collective experience, this is THE book for any and all baseball fans, certain to grace coffee and bedside tables alike. Designed with that wonderful nostalgia that the sport itself so often evokes, THE ULTIMATE BASEBALL BOOK combines timeless images with a sweeping narrative history as well as essays on various idols and icons by such heavy hitters as Red Smith, Wilfrid Sheed, Roy Blount, Jr., Tom Wicker, and George Will. This new edition covers baseball through the nineties, the decade when home run records fell and the sport reclaimed its hold on America, and celebrates the national game in ultimate style.
