著者:Erskine, G. Randolph

出版者:McGraw-Hill

出版时间:2007-4

装帧:Pap

isbn:9780071444552

This is a beautiful and comprehensive manual carefully detailing for you how to tie 160 flies - listed in order from simple to complex. In "Mastering the Art of Fly Tying", one of

the world's most experienced fly-tying instructors reveals that the real secret to fly tying is not learning to tie each fly individually, but mastering and building upon the necessary skills and techniques. The 160 flies in this stunningly photographed guide are organized from simple to complex, rather than by type of fly as in other books. Each new fly teaches you another technique and builds your skill and confidence, along with an exceptional collection of flies.
