David Feherty is golf's multitalented funnyman, best known for his colorful on-screen personality for CBS Sports, and never-ending ability to find humor and perversity in the game of golf. Following the best-selling success of "Somewhere in Ireland, A Village is Missing An Idiot," David is back with his much awaited second collection of hilarious columns from Golf Magazine and golfonline.com. As an added bonus, readers will be treated to David's newest writing endeavor, Feherty's Mailbag, where he answers questions sent in by readers in typical Feherty style. This new collection promises not to disappoint longtime fans, and any virgin Feherty reader is sure to become immediately addicted to his cockeyed, yet refreshingly honest outlook towards golf and its relation to life as we thought we knew it.
