Finally, a lifetime of hidden secrets that have never been told! The Drury brain trust discloses revealing facts on how they harvest big bucks year after year consistently. Giant Whitetails: A Lifetime of Lessons is a first of its kind book that will take you through 10 successful trophy hunts showing actual live shots of each trophy deer

before it is harvested. For the first time in book publishing history, you will see actual video clips of each giant whitetail reproduced as still photos just before the buck is harvested. These exclusive photos detail huge buck's behavior as you see in-flight arrows just milli-seconds before impact. Each chapter will conclude with a "Lessons Learned" section detailing all of the vital information that resulted in the successful hunt of each trophy buck, "Lessons Learned" will also provide you with inside information on the mistakes made along the way so you can avoid them and become a better hunter.
