著者:McGirr, Mary Beth

出版者:Quill Driver Books

出版时间:

装帧:Pap

isbn:9781884956737

Unlike other books on golf, "Tee to Green" is about learning to play the game later in life, written from the perspective of recent learner David Goslin, who took up golf at 65, in collaboration with LPGA Master Teaching Professional Mary Beth McGirr. A sociologist by training, Goslin has spent 40 years studying the process by which individuals learn new skills.
