For the passionate hog hunter-and that includes just about everyone who's ever chased down a wild boar-here is the complete guide to its methods, techniques, and, last but certainly not least, how to prepare what might be some of the best-tasting wild game available. Starting with the plain excitement of the hog hunt, longtime boar hunter Triplett goes on to detail the history of the wild hog, and hog hunting. THE COMPLETE BOOK OF WILD BOAR HUNTING includes important tips on: . hunting methods . finding and understanding hog sign . equipment needed for hog hunting, including archery, muzzleloading, and modern rifle equipment . hog hunting year-round . southern hogs . western hogs, including the bounteous hog opportunities in California . preserve hogs . hog hunting worldwide . the javelina, the little hog of the Southwest . warthog, the thrill of the African hunt . wild hog recipes With knowledge gained from a lifetime hunting the wild hogs, THE COMPLETE BOOK OF WILD BOAR HUNTING is an unsurpassed introduction to a fascinating sport.
