著者:Snook, Jeff (EDT)

出版者:Triumph Books (IL)

出版时间:2003-09

装帧:Hardcover

isbn:9781572436022

This title is the only Ohio State book this year published with official consent of Jim Tressel, head coach of the national defending Buckeyes. For the first time ever, Tressel and countless other famous Ohio State players and icons detail precisely what being part of Ohio State football means to them and why they consider being a Buckeye so special.
