As an avid golfer and inventor, John Novosel studied films of the PGA greats, searching, along with countless others over the last century, for the key to what made certain golfers' swings so effortless, artful, and effective. Viewing the films, Novosel made a

startling discovery. Nearly every champion demonstrated identical timing in their swings. An extensive review of archival footage of the greats throughout confirmed his findings. From Ben Hogan to Tiger Woods, whether the swings were fast or slow, the winning rhythm remained constant.

In this breakthrough book, Novosel and Sports Illustrated writer John Garrity lay out exactly how to achieve this tour tempo. Enhanced with photographs and illustrations, this clear, step-by-step method teaches golfers how to resynchronize their swings and play like a pro. An accompanying CD-ROM vividly illustrates the full swing sequence and features a calibrated soundtrack that readers can use while practicing at a driving range or in their backyards.

Novosel's teaching technique has resulted in tremendous and rapid improvement for players of all levels. In a world of gimmicky, quick-sell golf instructionals, TOUR TEMPO is the real thing.
