Brian R. Price, the founder of the Schola Saint George and activist in the development of the historical swordsmanship community, has collected a series of essays by the key instructors leading the study of European martial arts. Each of the 22 included instructors writes on some aspect of interpreting and teaching from the historical styles of swordsmanship that have seen a resurgence over the last ten years. This book will whet the appetite of newcomers to the Historical Swordsmanship community and offers insights for those already teaching.
